

The Friends of Yogi Newsletter

From time to time there are people at our park that do wonderful things to improve our park, help make staying here a great experience, donate things to save us money and just about anything else you can think of. They don't look for recognition but this is our little way of saying thanks and letting everyone know who the friends of yogi are.

Jack & Hannah Nolan (Lot 1424) and Rick & Rebecca Howard (Lot 1312) recently made three different trips to the Plymouth Dairy Queen to pick up 9 sets of iron tables and chairs, after talking Dairy Queen into donating them to our park. The tables will be used at Boo-Boo's and on the East pool deck.

Barbara & Allen Johnson (559) donated several garbage cans and brand new stop signs to the park which will be used at numerous locations.

Gene & Mary Yates (238) convinced REMC to donate several of their used utility poles to us. Those poles were cut to 6' lengths and are now landscaping our beach area.

Scott & Connie Bartlett (878) have taken on and completed several painting and sprucing up projects around the park including the East entrance gate. It looks great.

Henry & Nancy Miller (941) donated an outdoor TV antenna that will be used at the Ranger Station. (When we have time to install it)

Nicholas & Karen Zweier (1199) donated a new megaphone to us that will be used over and over again by the recreation department.

Nan Glenn (1114) bought 2 non-bearing Pear Trees and donated them to the park to take the place of the 2 trees that were slowly dying in front of the store.

Joy Bolt (712) and Scott Bartlett (878) have donated many numerous hours of their time to the front office and their gas money running errands for the park.

Ed Christo (1429) cleaned a lot of debri out of George's pond last fall. It really spruced up the pond and kept the fisherman happy.

Ray & Debbie Wasielewski (1078) donated a children's table and chairs to Boo-Boo's game room. It was a nice addition.

This is by no means everyone that has shown to be a true friend to our park. So in the months ahead we will be recognizing more people with this newsletter. I know most don't care if they get mentioned or not, but we do!!!!

We do have a sad note to pass along. We recently lost a friend of Yogi when Phillip Favia (Lot 1166) passed away. Thanks to everyone who sent their prayers to Phil and please remember to send support and prayers to his wife Priscilla.
